Breast Cancer Awareness Pink Plate

Breast Cancer Awareness Pink Plates are personalized plates and may contain from one to six characters or from one to five characters plus a dash. Breast Cancer Awareness Pink Plates are available only for registered Missouri vehicles.

What You Need to Do...

Make a tax-deductible donation of \$25 to Winning Women by sending a check to Breast Cancer Awareness, 14248 F Manchester Road # 318, St. Louis, Missouri 63011. Make your check payable to Winning Women. Sign up or renew your plates by simply filling out the attached application.

Note: If you are registering your vehicle on a biennial basis, please indicate that on the application. You should double your donation (\$50) on the application in order to cover both years of your vehicle registration.

What We Do...

After you submit your completed application, Winning Women will send you 1) a "logo use authorization" form. The logo use authorization form is proof that you contributed to Winning Women, and will be required when you submit your plate application and 2) an application for personalized license plate.

Complete Your Application...

For a Breast Cancer Awareness Pink Plate stock or personalized plate, send ONLY your application for a personalized plate, logo use authorization form and the annual Department of Revenue \$15 plate fee to the Drive and Vehicle Services Bureau, PO Box 100, Jefferson City, Missouri 65105-0100.

You may also order or obtain a Breast Cancer Awareness Pink Plate stock plate by taking your application, logo use authorization form, annual \$15 plate fee, and any other required documents to your local license office.

Finally...

Breast Cancer Awareness Pink Plates are available for issue at all revenue branch offices and some independent fee offices by providing the logo use authorization form and fees. Personalized plates must be ordered by DOR. You will be notified by mail when your plates are available and given information about acquiring them at your local license bureau. All questions about the processing of your application should be directed to DOR through your local license bureau.
